€3,400.00

"Red Kiss" - Between passion and depth A kiss of red, enveloped in cool blue - "Red Kiss" plays with contrasts and emotions. The warm, pulsating red tones meet the calming depth of blue and create a captivating tension between fire and calm, desire and serenity. Dynamic brushstrokes and flowing transitions allow the colors to merge, as if two worlds were meeting in an intense moment. "Red Kiss" is more than a picture - it is a feeling that hovers between passion and infinity.
