

BIGUI: Picture "Ginkgo '#2" (2019)

€1,550.00

In my work, I explore the majestic appearance of ginkgo leaves, their gentle curves and vibrant colors. I have used acrylic paints to depict the deep connection between nature and growth. The leaves unfold on the canvas and bring a dynamic, calming energy to any space. They are an ode to the natural world and are meant to inspire the viewer and create an atmosphere of calm and contemplation. The artwork can be hung without a frame. The canvas has been stretched on a 3.5 cm deep gallery stretcher frame and the sides of the picture have been painted. The painting has been stretched on a 3.5 cm deep gallery stretcher frame and can be hung without an additional frame, as the sides of the picture have also been painted.
