

Hasso Heybrock: Picture "good morning" (2022)

€2,910.00

"Good morning" is a multi-layered painting in a large format, which greets us friendly and puts us in a pleasant mood. The fine color coordination and the successful abstractions leave free space for the imagination when viewing. Everywhere on the canvas with every viewing angle new sceneries appear, which can be explored and experienced by the viewer. The painting is painted with acrylic paints on Belgian canvas and provided with a fine wooden presentation frame. It can be hung immediately. With its friendly mood, the work will fit into any home or office. The large format is equally suitable for representative purposes.
