

Peter Nottrott: Picture "Soft Symphony XL 1" (2025)

€2,490.00

For this pastel color formation, I mixed predominantly warm yellow, orange and red tones on my palette, complemented by blue, green, white, a little pink and beige-brown. The interplay of the color tones is like that of different musical instruments, they create a fascinating whole that is more than the individual parts. The resulting, detailed world of color seems to spread out and invites you to discover it with pleasure. The painting has painted side edges and is signed by Peter Nottrott on the front bottom right and dated with the year of creation.
