

Ilona Schmidt: Picture "Chaotic Soul" (2020)

€2,950.00

"Chaotic Soul" is an expressive painting that captures the complexity and restlessness of the human soul. The portrait is painted in a fascinating color spectrum of orange and blue tones, which lends the work an intense and lively atmosphere. The artist has deliberately worked with bold brushstrokes to emphasize the emotional intensity of the motif. "Chaotic Soul" invites the viewer to engage with the complex emotions and thoughts that exist within each of us. It reminds us that the human condition is often characterized by inner conflicts and contradictions. At the same time, the painting exudes a certain beauty and allure that invites us to connect with our own chaotic yet fascinating souls. Acrylic and oil pastel on canvas. The canvas measures 120 x 80 x 4cm.
