

Heinz Stoewer: Picture "swinging and floating" (2021)

€500.00

Free forms vibrate and flow in the colors of the rainbow on special painting paper. The result is a pictorial composition reduced to the essentials. These forms are characteristic of Heinz Stoewer's work and appear in different variations in many of his paintings. Here they are highlighted and placed next to each other in isolation to form an abstract composition of bright colors on a white background. The work is signed and dated on the reverse.
