

Anja Struck: Picture "my little friend" (2021)

€2,000.00

The human being is the focus of my work, so also in this work. A special situation of closeness of a little boy to his dog is atmospherically depicted. The mood is enhanced by the soft gentle colors and the typical for me technique of blurring. My signature is on the back of the picture so that the harmony of the work is not disturbed.
