

Mo Fontaine: Picture "Great thistle" (2022)

€6,200.00

Mo Fontaine's large thistle is not a snapshot, but a temporally condensed, spatially removed motif. The thistle, which must eventually pass away, fade, extinguish, depicts life itself - located somewhere between strength and fragility, weakness and aggression. In addition to the magic of melancholy because of its transience and the longing for beauty, this flower also transports an optimistic message: art does not wither.
