

Peter Nottrott:
Picture "Beautiful Summer Symphony XXL 2" (2023)

€3,390.00

A summer-inspired, colorful composition led by the three primary colors yellow, red and blue and complemented by green, orange, white, pink, magenta and purple. It appears lively as well as friendly and positive. - As in music, in a symphony, the interaction of the individual components of the painting, such as color tones, composition, painting technique and color structure, is in this work of art more than the effect of the isolated components. The picture is rich in detail and invites the inclined viewer to let the thoughts flow and deepen.
