

Stefan Ester: Sculpture "Quo vadis" (2007)

€7,200.00

The work consists of 3 parts made of lime wood that has been stored for a very long time. The horizontal part is inlaid with tin. The two upright arches strive outwards and are under tension due to their inner "networking". under tension. "quo vadis" - where are we heading? Thematically, the work deals with networking of all kinds.
