

## Ute Meyer: Picture "Baltic Sea / Ærø" (2012)

€600.00

This watercolor was painted on a cloudy, foggy September afternoon on the Danish Baltic coast on the island of Ærø. I tried to capture the blurred transitions between sky, land and sea in an impressionistic way. While I was painting, a few raindrops fell on the canvas and left delicate traces. The brushstrokes are dynamic and expressive, and I find the mood of the painting to be gentle and peaceful. The watercolor is fixed under a white passe-partout cardboard with a bevel cut measuring 60x80 cm. The signature is on the front.
