

Jörg Herz: Sculpture "Neon snorkeler" (2024)

€1,280.00

This wooden sculpture shows a woman in a neon yellow swimsuit with flippers and snorkel. The artist was inspired by his love of the sea and wanted to show the joy of swimming in open water. The choice of a female motif challenges traditional gender roles and emphasizes freedom in the water. The sculpture celebrates the natural world and the strength of women. The artist hopes to inspire viewers to appreciate the wonders of the ocean. Unique piece / figure approx. 54 cm high / with base 66 cm high / spruce and acrylic paint / wood sculpture made with a chainsaw
