

Sabrina Seck: Picture "Liz" (2021)

€2,200.00

Liz is an impressive piece of work, both in form and color. Her facial expressions speak volumes, which, however, everyone interprets differently. She combines femininity with strength and self-confidence. A work, what was brought with warm, as well as with cool acrylic colors on canvas. Small accents were set with oil pastels and acrylic markers. The composition of this colorfulness underlines the sensuality of Liz. Due to digitization and depending on the monitor setting, there may be slight color deviations.
