

Jörg Herz: Sculpture "Musician with xylophone" (2020)

€2,980.00

Jörg Herz was inspired to create the sculpture after seeing a xylophone soloist in a classical concert. The sculpture expresses admiration for the instrument and the musician's performance. The sculpture can also be seen as an ode to the power of music to inspire and move us emotionally. It also emphasizes the importance of finding inspiration in unexpected places, and how much creativity can come from moments of inspiration. / figure approx. 41 cm high / with base 49 cm high
