Bea Schubert:
Picture "Take Me To The Moon No.5" (2021)

Take Me To The Moon No.5 is 40 cm high x 80 cm wide and 4 cm deep. It is part of the series "Power of Positivity". I believe that positivity can change the world. it can make our planet a better place. "Take me to the moon" is inspired by Frank Senatra's song. The artwork is painted with high quality acrylic paints and acrylic inks. Many layers / glazes enchant the work to a magical place. Butterflies symbolize lightness and freedom. The sides are painted. The signature can be found on the canvas. The picture can be hung immediately. It is protected by varnish (Lascaux) against UV light.
