

Heike Schumann: Picture "Longing" (2024)

€1,200.00

The artwork "Sehnsucht" is designed in a spontaneous and dynamic painting style. The depiction originates from work with a studio model, blurring the boundaries between realism and abstraction. As a contemporary nude painting, it addresses themes such as intimacy, loneliness, strength and need. It invites viewers to develop their own perspective on the scene. The color palette consists mainly of blue, light ochre and white. The work is a unique piece on canvas, belongs to contemporary art, was painted with high-quality acrylic paints and is signed on both sides by the artist.
