

Mila Weis: Picture "Light Experience No. 9 / 2 Panels" (2023)

€3,600.00

In my work, emotions and energy flow in dynamic, abstract forms. The vibrant pink acrylic paint stretched across two canvases is an expression of passion and vitality. This piece of art embodies a minimalist yet expressive style that captures the beauty of simple, fluid movement. It will bring an intense, yet calming atmosphere to any room it adorns.
