

Andrea Reichhart: Picture "ELIO study I" (2024)

€1,500.00

ELIO study I stands for the beauty of raw forms and the elegance of simplicity, which serves as Andrea Reichhart's creative compass. Her pictures impress with their modern and aesthetic simplicity, in which a natural and reduced color palette is combined with flowing lines and black full of character. "I choose my colors very consciously and it often takes half an hour to complete a shade. For me, the shade should radiate beauty and be love at first sight. ELIO study I and II are modern and sophisticated and radiate intensity and inner peace." The work is signed and dated and sealed with an additional varnish. Andrea Reichhart lives in Germany, studied at the Conservatory of the Arts in Amsterdam/Netherlands and has exhibited her work in Barcelona, Madrid, Zurich and Monaco.
