€890.00

Sculpture: fiberglass, metal. The base is painted white. Signature on the heart. I painted this heart sculpture, which is bursting with joie de vivre, with high-quality acrylic paints, golden paint and neon pastels. It is protected from UV light with a silk matt glaze. It can be placed indoors or outdoors. Weight: 3.8 kg. Size: 58 cm high, 30 cm wide and 20 cm deep. "If you love life, life will love you back." (Arthur Rubinstein) The sculpture is not just a work of art, but an homage to the Mediterranean lifestyle of carefree and light-heartedness. Symbols such as sheep, palm trees, cacti, the typical boat (Illaüt). Olives, wine, etc. in vibrant colors, neon and gold reflect the prevailing joie de vivre. Soak up this lightness and enjoy life! Life loves you!
