

## Nicole Leidenfrost: Picture "Kitty cat" (2018)

**€3,300.00**

You like cats? This cat, with the bright green eyes, literally looks at you. The colors are high quality acrylic paints with good pigmentation, hence comes the color intensity. The artwork has a surface protective varnish that it is somewhat less sensitive to light and dirt. This cat head was shown at the art fair ST. ART Contemporary in Strasbourg, France and had its fans. The artwork is framed.
