

Nicole Leidenfrost: Picture "In summer" (2021)

€5,200.00

The vibrancy of summer is captured in a unique way in this colorful work of art. The artist transports us to a world of radiant joy and carefree moments in which nature is in full bloom. The vibrant colors that dance in harmony on the canvas reflect the exuberant energy of this warm season. The combination of the cheerful figure and the stylized flowers creates an atmosphere of pure joie de vivre and invites the viewer to immerse themselves in the warmth and beauty of summer. "In Summer" is not just a work of art, but a tribute to the carefree moments that make this time of year so special. It reminds us to discover the joy in small things and to enjoy the colors of life to the fullest.
