

Nicole Leidenfrost: Picture "In pink with wings" (2021)

€2,600.00

This piece of art conveys fun and deals with the theme "women". A woman is in the middle and has wings. It looks like she has her legs crossed. In the background you can see people and, for example, a dog. This artwork invites you to discover, because only when you look at the artwork you see the people in the background of the artwork.
