

## Bea Schubert: Sculpture "Life Loves You No.16" (2024)

Fiberglass, metal. Base painted white. Signature on the heart. I painted this heart sculpture, which is bursting with joie de vivre, with high-quality acrylic paints. It can be placed indoors or outdoors. Weight: 3.8 kg. Size: 58 cm high, 30 cm wide and 20 cm deep. "If you love life, life will love you back." (Arthur Rubinstein) The sculpture is not just a work of art, but a tribute to the Mediterranean lifestyle of carefree and light-heartedness. Symbols such as a palm tree, cactus, wine, boat etc. in lively pastel shades and neon colors reflect the prevailing joie de vivre. Soak up this lightness and enjoy life! Life loves you!
