

Elisaveta Sivas: Sculpture "LOVE" (2024)

€6,000.00

This is a unique, one of a kind piece of art created by Elisaveta Sivas. It is authentic and there will be no copies. TITLE: "Love"
STYLE: Contemporary, minimalist style. COLOUR: Sandstone/broken white. This sculpture is a part of my series "Search of the Truth" where my personal search for freedom, true love, trueself is reflected. It has been many years of my personal search of consciousness, of the reason of human existence, of the connections between all the people and possibility to feel and share love. This original artwork could be a nice decoration for your home interior or for your professional space. The surface is smooth. Signed on the back. Authenticity certificate is included.
