

Bea Schubert: Picture "There Is No Place Like Home No.11" (2021)

€8,000.00

The oversized colorful picture is 200 cm wide, 150 cm high and 4 cm deep. It belongs to my series HOME. Home / home is where we find our balance, the "place" with which our heart connects. So it is not necessarily a house or piece of earth, but our heart connection. "there is no place like home" is handwritten on the canvas. flying birds represent freedom. Red and orange are both energetic colors, and warm. They represent vitality and health. I use high quality canvas and paints. The sides are painted. Framing is not required. The picture is glazed (Lascaux) to protect against UV light. It can be hung immediately.
