

Anja Struck: Picture "foaming waves" (2021)

€2,100.00

The picture shows a blue sea with white waves. The slightly moving sea goes to the horizon. Above it, a small strip of light blue sky can still be seen. A dog with gray-brown fur runs from the left through the waves, the water splashes up at him. The blurring of the dog's color gives the viewer the impression of immediate movement. The viewer sees and feels with how much joy and energy the dog runs through the water.
