

Mila Weis: Picture "Journey To Blue / 2 Parts" (2023)

€3,500.00

"Journey to Blue" is a work that captures the essence of movement and emotion in an impressive way. Using vibrant, contrasting acrylic colors, I create a dynamic composition that oscillates between powerful spontaneity and deep reflection. Inspired by abstract expressionism and impressionism, I strive to create a visual journey that speaks to both the external dynamics and internal sensibilities of the viewer. The dissolved forms and bold brushstrokes serve as an invitation to live through one's own emotional experience. The colors - a combination of bright pink and the calm Future Duck - create an intense tension that captivates the viewer. This painting doesn't just want to be looked at, it invites you to feel the energy of the colors and the movement of the composition and lose yourself in it. It is about a journey - a journey into the depths of blue, into the vastness of emotions.
