

## Sabine Schramm: Picture "Daffodils | daffodils" (2024)

€520.00

Spring is here: In this flower painting, a picturesque meadow shines in all its splendor, dotted with white daffodils. The delicate brushstrokes capture the elegance and beauty of these flowers as they sway gently in the wind. The warm light of the sun makes the petals glisten and lends the scene an enchanting atmosphere. A hint of spring is in the air, accompanied by a gentle fragrance that beguiles the senses. Look at this picture and feel the peace and serenity it radiates, and let yourself be enchanted by its timeless beauty and touching elegance.
