

Yo Franklin: Picture "Good Vibes_Catch and release" (2023)

€2,200.00

Yo thematizes the catching and letting go of feelings, moments and the fears associated with them. She does not allow herself to be frightened. Neither by dark forces, nor by herself, but always looks forward with confidence in her strength and herself. It is the light after every darkness that is Yo's subject. Catch and Release was created in June 2023, a summer filled with beautiful events that are captured and experienced for a moment and then released. The memory remains. Catch and Release tells of coming and going, it is life. Catch and Release is worked with pigments in poppy seed oil and binder on black gesso primer, sealed with varnish on canvas
