

Anja Struck: Picture "summer walk" (2022)

€1,600.00

The viewer sees a couple from above from a bird's eye view. Together, the couple walks as it seems brisk, light and buoyant over the surface. The ground on which they walk is kept abstract. The yellow and blue surface suggests that the couple is taking a walk on the beach. The shading on the clothes with many yellow areas reinforces this impression. The image exudes lightness and warmth and takes the viewer into a happy and light vacation or summer day.
