

ART Christa Haack: Picture "the magic of power 2" (2024)

€950.00

In my work, acrylics, colored pencils, ink and pigments merge into an abstract expressionism. It is a profound painting that captures the complexity of our natural world. Sweeping strokes and bold color contrasts evoke a vibrant, dynamic feeling. I invite the viewer to embark on a journey of self-discovery and reflection by delving into the unfathomable depths of this artwork.
