

Holger Mühlbauer-Gardemin: Picture "Death" (2023)

€4,610.00

Death. The image symbolizes death and its different ways, the different modes of existence. Neoexpressionism is a style of fine art characterized by figurative painting of expressive color. The work is digitally and analogously painted and is a mix of neo-expressionism and digital art. It is printed on high quality gallery canvas with very durable pigments and finally painted and varnished with lots of acrylic paint. It is a unique piece!
