

Regine Lange: Picture "Forest whispers" (2024)

€1,690.00

Birdsong, the rustling of leaves, the tapping of a woodpecker and the soft creaking of branches - these are the sounds of the forest. The sun partially illuminates the leaves, flowers and tree trunks and lights everything up in different shades of color. This picture was painted in an abstract style on a high-quality canvas. Bring the forest into your home :-)
