

Chris Morys: Picture "Grayscale I" (2022)

€2,280.00

In our fast-paced world, we often remain superficial and make hasty judgments. But what looks like black and white at first glance reveals a colorful diversity when you look closely at the details. The art series "Graustufen", to which this work belongs, delves deeper and discovers the nuances of the world. Chris Morys combines the visible and the invisible in his art and invites us to experience the magic of the nuances.
