

Monika Gollasch: Picture "Apple blossom I" (2023)

Inspired by nature, I work with plants and flowers. I sketch the shapes of the flowers with ink and simplify them step by step to enlarge them in an exciting detail at the end. By playing intuitively with the colors, I create completely new and fresh combinations. Here apple blossoms on a blue sky. Acrylic on canvas, painted around the edges and covered with protective varnish. Picture can be hung immediately on the stretcher frame, comes without extra hanging device.
