

Sabine Schramm: Picture "Sea abstracted (work no. 190222)" (2019)

€2,900.00

Sea abstracted | high quality refined with synthetic resin | high gloss surface In an extraordinary and elaborate finishing process, several layers of epoxy resin were applied to the hand-painted image. This coating gives the work an indescribable luminosity - perfect shine in a new dimension! The result puts even glass in the shade and makes this picture something very special!
