

## Andrea Reichhart: Picture "MALTA study II" (2024)

**€1,550.00**

MALTA study II stands for the beauty of raw forms and the elegance of simplicity, which serves as Andrea Reichhart's creative compass. Her pictures impress with their modern and aesthetic simplicity. MALTA study II is from the HELIO series and combines expressive, minimalist shapes with soft color tones, which are layered in several layers and many fine details. "MALTA study II has a slight change in color tones to MALTA study I and my goal was to create both works independently, but also in interaction: be it horizontally or vertically." The work is signed and dated and sealed with an additional varnish. Andrea Reichhart lives in Germany, studied at the Conservatory of the Arts in Amsterdam/Netherlands and has exhibited her works in Barcelona, Madrid, Zurich and Monaco.
