

Andrea Reichhart: Picture "OKKE study II" (2025)

€1,900.00

OKKE study II stands for the beauty of raw forms and the elegance of simplicity, which serves as Andrea Reichhart's creative compass. Her pictures impress with their modern and aesthetic simplicity. "The abstract geometric patterns in OKKE study II radiate a calming and elegant atmosphere with their soft colors. OKKE study I and II are from the La clarté collection 2025. La clarté - the clarity accompanies me this year in particular, to immerse myself even more in the magical conversation between the canvas and myself." The work is signed and dated and sealed with an additional varnish. Andrea Reichhart lives in Germany, studied at the Conservatory of the Arts in Amsterdam/Netherlands and has exhibited her work in Barcelona, Madrid, Zurich and Monaco.
