

## **Ilona Schmidt: Picture "All we need is...." (2019)**

**€1,200.00**

The eye-catching lettering "Love" gives the picture a strong message. A special feature are the blue lips, which can be found in all my portraits. They represent a certain symbolism that I incorporate into my pictures. The use of blue lips indicates individuality and emotional expressiveness. The painting invites the viewer to reflect on the meaning of love and its role in our lives. Picture dated and signed
