

Heike Schumann: Picture "X marks the treasure map" (2023)

€2,100.00

In the work "X marks the treasure map", which is in the style of contemporary art, a woman is depicted who appears to be waiting or resting. The painting leaves room for interpretation and encourages the viewer to reflect. Overall, it exudes a strong expressiveness and allows viewers to immerse themselves in a world of emotion through the use of vibrant colors and a loose brushwork technique. The work is a unique piece produced on a 4.5 cm wide canvas, painted with high-quality acrylic paints, dated and signed by the artist.
