

Holger Mühlbauer-Gardemin: Picture "Horizon" (2024)

€2,940.00

In this work, I blend vibrant acrylic colors, penetrating lithography and light-catching resin with pure pigments. My expressionist and figurative style work brings to life the intense emotion and power of the human figure. The depiction exudes a profound connection to nature and a sense of freedom. It is a work of analog and digital painting, it is one of a kind.
