

Peter Nottrott: Picture "Just Dreaming XXL 4" (2022)

€2,990.00

The three-part, multicolored center is rich in details and contrasts against a pastel background. From the bottom up, the hues become lighter, the picture invites you to simply dream... - and in the dream world so much is possible, times and spaces can be freed from the laws of nature. The painting is signed on the front bottom right by Peter Nottrott and dated with the year of creation.
