

**BIGUI:**  
**Picture "Tropical blossom joy #1" (2023)**

**€1,750.00**

In my paintings, I ignite the vibrancy of tropical flowers with sweeping brushstrokes and vibrant acrylic colors. Each flower blossoms in its unique beauty, reflecting emotion and vitality. This composition conveys an atmosphere of warmth and energy, enriches the room with a touch of nature and allows viewers to immerse themselves in a world full of color and life. The artwork can be hung without a frame, as the canvas has been stretched on a 3.5 cm deep gallery stretcher frame and the sides of the picture have also been painted.
