

Heinz Stoewer: Picture "Avatar" (2020)

€3,300.00

This painting was inspired by the movie Avatar and the underlying message to protect, preserve and eventually defend nature. At the same time, it is also to be seen as a tribute to the beauty of the male body and the connection of man with the surrounding nature. Free-swinging, abstracted leaf shapes surround the male body in shades of blue, integrating him into his surroundings. Nature and man are in harmony with each other rather than in confrontation. The work is signed and dated on the reverse.
