

## Ilona Schmidt: Picture "Pointing the way" (2023)

€800.00

"Pointing the Way" is an expressive portrait depicting a person's search for orientation and his path in the star charts and a compass. The color palette of the portrait emphasizes the mysticism and mystery of the universe, while at the same time radiating a certain calm and serenity. The painting is signed and dated, as well as provided with a hook for immediate hanging.
