

Peter Nottrott:
Picture "Stick: Perfect Summer Feelings 1" (2023)

€2,890.00

The sun is shining, the flowers are blooming, the crickets are chirping..... whether it's breakfast outside, walking barefoot, marveling at fireflies, a barbecue with friends or enjoying the sunset with a summer drink: the pleasure of summer is as versatile as a colorful blooming summer meadow. The beautiful summer feeling inspired me to create this bright painting in the Panoramaformat, for this I mixed blue, red, magenta, pink, orange, yellow, white, purple and green shades on my palette. The painting has painted side edges and is signed by me on the front bottom right and dated with the year of creation.
