

Mila Weis: Picture "The Big Blue" (2024)

€2,600.00

In my work, the impetuous waves of the sea merge with the burning sky in an expressionistic ode to nature. The bold blues and bright orange tones are applied in acrylic, creating a deep visual impression that evokes feelings of passion and restlessness. This painting is meant to capture the majestic and unpredictable nature of the soul and unleash a powerful energy in any room it hangs in.
