

Andrea Reichhart: Picture "NINO" (2024)

€2,600.00

NINO stands for the beauty of raw forms and the elegance of simplicity, which serves as Andrea Reichhart's creative compass. Her pictures convince with a modern and aesthetic simplicity. In NINO, a reduced color palette of muted blue and green and soft beige is combined with flowing lines and black full of character. "For me, NINO radiates calm and dynamism at the same time - like yin and yang. Mixing the shades is a time-consuming process because I love the soft radiance of muted, natural shades and am looking for the perfect balance. NINO is a haven of peace in any room with clean lines and fine details." The work is signed and dated and sealed with an additional varnish. Andrea Reichhart lives in Germany, studied at the Conservatory of the Arts in Amsterdam/Netherlands and has exhibited her work in Barcelona, Madrid, Zurich and Monaco.
