€3,400.00

This artwork is part of the series "Colorful acrylics", the most famous and extensive series of Astrid Stoeppel. Works in this series are characterized by their multicolored nature. Acrylic colors are painted flat, sprayed, applied in lines and dots and convince with their clarity and purity or geometry. The work "Mirroring" is painted on unprimed pure cotton. The acrylic paints soak deeply into the fabric. The pigment granulates in some places and the different colors appear rather glazed, but at the same time very colorful and vibrant.
