

Marit Symalla: Picture "Wild lynx" (2022)

€680.00

Lynx are often only seen in zoos and animal parks. But in the wild, the cat species is slowly reclaiming its territories. Nevertheless, they are still considered an endangered species in Germany. In the background I have worked with acrylic paint and spray paint, the lynx is outlined with acrylic pencil. The painting is painted on the sides, signed by hand and provided with a varnish.
